CAREGIVING MINISTRY TEAM INFO....

One of the goals of the FMC Caregiving Ministry Team is to provide our church family with education regarding services available for those needing care. One such resource is Caring.com, which is a leading senior care resource for family caregivers seeking information and support as they care for aging parents, spouses, and other loved ones. Many aging adults are unaware of the available care options and programs that can help them maintain their independence and quality of life.

Caring.com created a free resource that provides comprehensive information on topics like financial support and in-home care options that are available in your area.

You can read more about their work here: <https://www.caring.com/senior-care/in-home-care/virginia/>

UPDATE ON CAREGIVING MINISTRIES VOLUNTEER SURVEY: "Thank You" to those of you who completed the Volunteer Caregiving Ministry Survey Form. If you have not yet completed one, but would like to - it's not too late. Forms are available in the sanctuary hallway on the table together with a brochure outlining the Caregiving Ministry Team purpose.. The Team will be compiling the information from the surveys and hope to share with the church in the near future as we seek to provide support and assistance to caregivers in our church family.

Operation Christmas Child

Our WMU will giving us items to collect between now and Christmas for our Shoe Boxes. Each month will be a different item. Bring those items and place them in the collection basket in the Welcome Center. For the month of May please bring wash cloths and small stuffed animals. These will make a child's Christmas merry and bright.

News From The CWE

by Carla Calhoun

May is on its way and we are looking forward to it. We will be talking about eagles, making seed packet cards, making secret projects and much more. The younger kids have been doing a variety of devotions about Jesus dying on a cross, we thanked God for everything, God helps a sick man and more.

The older kids have talked about Why can't we see God, how long is eternity, and is there a McDonalds in Heaven? We also are celebrating Mother's Day.

We want to take a moment and say thanks to all the Moms out there for all you do for us!!!

Summer is almost here!!! We NEED YOU! FMC will again be hosting a water distribution station on the bike trail on Saturdays throughout the summer. All Saturday mornings from 8:00 am – 11:00 beginning May 28 – September 3.

Please look for the sign-up sheet outside of the sanctuary and join us as we give water to bikers, offer words of encouragement, and share the love of Jesus as we do so.

We also need volunteers to serve as coordinators, ensuring that we have workers each Saturday. Please prayerfully consider helping in the mission.

RAIN DATES: May 12 & 13, 2021

Hello!

I hope that you had a great weekend and enjoyed celebrating Easter recently.

We had a very encouraging time two weeks ago when we hosted a team from the MK2MK (Missionary Kid to Missionary Kid) ministry in the U.S. Nancy helped facilitate their visit as they invested in our kids and other missionary kids from various missions agencies here. MKs often feel pressure to be spiritual giants or even to be perfect. You may be familiar with the term Third Culture Kid. When a child is growing up in a different country and culture, they can experience some unique challenges, too. Hearing the comments that our kids and others made during one of the events held by the MK2MK team was hard but helpful as we work to create an environment where they know that they are accepted and loved, regardless of where they are on their spiritual journey. Our kids certainly know that we are not perfect, just forgiven.

A few weeks ago, I had the opportunity to visit Puerto Rico and invest time with the National Team Leader, Matt. He is a new leader, but much more organized than I am. There are some big challenges that he is facing, and we are trusting God together for His direction.

During part of the visit, the plan was for me to go on campus at one of the universities and meet some of the students. There was a strike, though, so the campus was closed. I did get to meet with a couple of the campus staff, pictured here.

This week I am headed to Cuba and will be there from April 27th to May 1st. Please pray that God will use the time for His glory and purposes, for protection for me and for the family back home during the trip, as well as for favor in the eyes of the customs agents. Our National Team Leader has requested some materials that I will be bringing in addition to cash for a teacher conference, so the hope is that there will be no issues bringing those things into the country.

Many thanks for your prayers and support!
In Christ,
Sean

Lightning Update by Diana

I has been a while since I have said anything regarding the damage from a year ago. We have fixed all the electrical equipment for the sound system, replaced the firewall for our computer system and many other things that were damaged by the lightning. We have had all the claims processed and payments made. The only thing that we have not been able to fix were the Carillon Bells. I have searched and been unable to find anyone with the expertise to fix them. So they will remain silent.
