## **CWE News:**

May has been a fun filled month. We did so many things. We had our Preschool graduation/concert. The kids worked so hard practicing the songs. We want to thank everyone who participated and thanks to everyone who came out to see these wonderful kids sing. They did an amazing job!! A big thanks to Robyn West, Ryan Duke, Lily Duke and especially Diana who led our program and handed out the diplomas and presents to the kids. And Thanks to all those behind the scenes as well. Thanks to all teachers that helped these kids learn the songs and big thanks to Alaina, Stephanie (my daughter), and others for helping out with the reception. It takes a village to pull this all together and I have the best village behind me, supporting me!! June, we will have more learning, crafts, bike day, and weather permitting water day. We start our summer program on June 20th with many fun activities. I have spoke with many potential new parents. I am looking forward to growing enrollment. I would like to welcome our newest employee, Courtney Hardin. She is going to be a great asset to our team here.

*\*Check out all the graduation pictures on our Four Mile Creek Church Weekday Education's FaceBook page.*

Summer is almost here!!! We NEED YOU! FMC will again be hosting a water distribution station on the bike trail on Saturdays throughout the summer. All Saturday mornings from 8:00 am – 11:00 beginning May 28 – September 3.

Please look for the sign-up sheet outside of the sanctuary and join us as we give water to bikers, offer words of encouragement, and share the love of Jesus as we do so.

We also need volunteers to serve as coordinators, ensuring that we have workers each Saturday. Please prayerfully consider helping in the mission.

## STANDING ROCK INDIAN RESERVATION

For several years, FMCBC, through the WMU, has been supporting the Standing Rock Indian Reservation in North/South Dakota. Remember "Undie Sunday?" This year the request is not for socks or underwear, but for gift cards from Target or Walmart. Please continue with your generous giving and consider buying a gift card the next time you are shopping. Turn in your cards to either Gayle Lowry or Janie Kirby or any WMU member by the end of JUNE.

We placed the latest receipt of an aluminum handicap ramp on Hines Rd.

Our team consisted of Lyne Aigner, Mickey Gaddy, Ted Grivetti, Earl Acors, Chuck Purks and me. Install is for a lady in the community recovering from long term COVID complications.

If anyone doesn't believe that GOD is in everything, we received a phone call for this ramp right after we placed it behind the white parsonage garage a couple of months ago. He is good to all of us, all the time.

The ramps we have are all out on deployment.

Steel ramp is still in use off Laburnum Ave near Richmond Raceway

A piece of an aluminum ramp is in place in Varina Community fir church member.

Sone sections of an Aluminum ramp from church are at another home for assistance for a church member.

As today we used a remaining 14' section from one of the churches ramps coupled with the latest one we got and completed the on mentioned above.

We have access to a new aluminum 8 ft section for low height with rails if needed.

I notified the donor this morning and sent two photos after installation of the ramp.

Thanks

Rocky
